Greetings From Owner Services

We hope everyone is having a safe and Happy New Year so far! We cannot believe spring is just around the corner. We here in Owner Services have been very busy making reservations for the coming months including Summer 2017! If you have not already called to reserve your vacation please contact us at your earliest convenience for greatest availability.

Also, if you are a points member we strongly advise you to contact us here at your home resort to deposit those points right away in order to maximize your points value and trading power. We can be reached 7 days a week at 1-888-218-6370.

We look forward to speaking with you all and helping to give you the best experience possible as a vacation owner!

Westwood News Letter

Welcome Westwood Owners,

Welcome to the SPRING edition of Rock Talk News. The last time I had the opportunity to communicate with you, it was the Christmas season. Now it's already Easter/Spring!!!! With the mild winter we experienced, several spring related projects. There are currently projects on the way that are not visible to the eye. Will installation, identifying/correcting water leak problems that plagued the resort last year, continued renovations, updating/installation air conditioning units, adding to our housecleaning/office staff and more, all of which will make you and your families stay at Westwood more enjoyable. The board recently re-negotiated our electric contract with our supplier for 3 more years, which will save us more money. Two other areas of interest: We now have several units, via our reverse deed program, available for purchase at a reduced rate for current parties. Contact Financial Services to obtain additional information. Family propane gas is now available for rent. Contact the office staff for further info. The board hopes that you have already made your reservations for this year and we're looking forward to seeing everyone soon. Don't forget if you need any type of assistance/information during your stay, please contact the office staff. On behalf of the executive board, we hope you enjoy your stay!

Bill Bevan
President,
Westwood Condo Association Executive Board

A Message from Financial Services

As we had previously advised, there are various firms who are contacting our members and pretending to represent either Interval International, and/or Split Rock and Mountain Laurel Resorts. These scammers are also using the Internet to prey on Timeshare owners with various promises to help you get out of your timeshare. These firms, many with legitimate sounding names, will invite you to a meeting or seminar, usually at a hotel or restaurant in your area. The pitch is that your plan or resort will no longer work properly and they will get rid of it for you; for a fee. These fees can be exorbitant and can range from between \$5,000 to as much as \$10,000 and more. In most

cases, these firms do nothing but take your money, and you remain as the owner of the timeshare.

If you attend one of these sessions, we urge prudence and skepticism on your part. Attend the meeting, enjoy the meal, listen to what they have to say and ask your questions, but before signing anything or paying any money, call our Financial Services department at 1-800-811-0405. Our representatives are well versed in the alternative available, and together we can work towards resolving any issue you may be having. Our goal is to assist you in getting the most out of your vacation ownership.
